

3-5 Year Old Birthday Parties

The prices of all Krafty Kids parties include the cost of us coming to your venue and setting up six art and craft activity tables. We bring all art and craft materials plus aprons, wipes (to clean hands), table cloths and personally themed party bags. You will be able to download the required amount of Krafty Kids invitations to send out and you are supplied with two qualified, CRB checked and experienced adults to monitor the children at the activity tables.

We are at the party for the first hour and pack and clear all our equipment away as we leave. The six activity tables include two themed activities and a personalised bag to take the children's craft's home in, leaving space for a slice of cake to be added by yourselves.

The other four tables include a themed colouring table, a play dough table, a sticking table and a painting table, these four tables are not supervised by Krafty Kids staff, but parents very often stay with their children at these parties. All the parties listed below can be mixed and matched to suit your child's specific theme. The two themed activities can be chosen from the list below:

Pirates/Princesses

For the Pirate and princess parties, the two themed tables include, a treasure box and a jewellery box, these are painted with beautiful metallic acrylic paints and decorated with shiny gems. Also a pirate's hat or a tiara will be made.

For a Superhero party, the two themed tables include, designing your very own super hero mask and using fabric paints to decorate a personalised super hero T-Shirt.

Knights/Prince Party
