

5 Years+ Birthday Parties

The prices of all Krafty Kids parties include the cost of us coming to your venue and setting up two art and craft activity tables. One of the tables will be chosen from the theme selection below and the other table will be colouring picture, mazes, word searches etc to compliment your chosen theme. We also bring all art and craft materials plus aprons, wipes (to clean hands), table cloths and personally themed party bags. You will be able to download the required amount of Krafty Kids invitations to send out and you are supplied with a qualified, CRB checked and experienced adult to monitor the children during the activities.

The Krafty Kids art activities run for the first 30 - 40 minutes of the party, we will then play a selection of theme related games and supply prizes making sure everyone wins. Once finished the mess is all packed away.

Please choose from the themed activities below:

Design a T shirt Party £4.00 per child

As the children arrive they will first design their T shirt on paper. We will then use fabric paints, glues, gems and pens to get creative on the T shirts. This party is great for both boys and girls.

Design a bag Party £4.00 per child

You can choose from either a kit bag or a tote bag. The children will practice their design on paper before using fabric paints, glue, gems and pens to make their actual design on the bag. Again a party suitable for both boys and girls.

Funky Flower Pots £3.00 per child

Using beautiful metallic acrylic paints and gems the children can produce wonderful designs onto the flowerpots which will look splendid with a flower planted in it or it can also be used as a pencil pot.

Treasure/Jewellery Boxes £4.00 per child

These fantastic treasure/jewellery boxes look amazing once decorated with metallic acrylic paints and gems. These boxes go really well with princess or pirate themes. I have used them also in under the sea themes and as a pot of gold at a Rainbow themed party, so very versatile.

Knights/ Prince £3.50 per child

At this party the children cover swords and shields in tinfoil and decorate with gems and a crest. These make fantastic party bag replacements.

Superhero's £3.50 per child

The children decorate funky superhero masks and decorate their very own superhero T- Shirt. An ideal party for adventurous children with creative minds. This party is suitable for boys and girls.
